Haven't received a payment yet? If you filed your 2007 tax return by the April 15th deadline and haven't received an economic stimulus payment, you may not be eligible. The payments are phased out by 5% of the amount that adjusted gross income exceeds \$75,000 (single taxpayers) or \$150,000 (married filing jointly).

If you are still eligible for a payment and you have moved, we can help update your information with the IRS. If you filed your 2007 taxes after April 15, the IRS needs a minimum of eight weeks to process your return before sending the stimulus payment. If you have any questions regarding your payment, please give us a call at (425) 774-8888.
